December 2021

The Holiday Season is upon us. This time of year is often extremely difficult for the homeless, the working poor and those trying to recover from drug and alcohol addiction. The anxiety and remorse of being alone and without family felt by so many of these people leads to greater despair and hopelessness. During this season interaction can be one of the greatest gifts, so please, while you are going about your day and see someone who may be lost, alone or simply down in the dumps, share with them the Hope found in serving Our Lord and Savior Jesus Christ.

This year, I have had the privilege of witnessing over 90 people giving their lives to Christ and making Him their Savior. I know that in probably all of these instances, I just happened to bring the last drop of water before God harvested. The seeds had previously been sown; sown by others who came before me, sharing the Gospel Message. The growth of the Kingdom is most definitely a group effort. It takes all of us.

Hope & Solution Ministries will be providing fully-prepared Thanksgiving meals to six families, including all of the trimmings. Additionally, we are providing Christmas presents and Christmas dinner for seven families-a total of 12 adults and 18 children. No one should have to dred a holiday because they can't afford it. Please join with me in helping those in need to have what they need for an enjoyable Holiday Season.

In the past month, street witnessing has continued, Bible studies are on-going, 2 people have been assisted in getting into permanent housing and 6 people have begun to take the steps necessary to recover from the disease of addiction.

None of these things are possible without your help and support. Please pray that I may spend my days showing the Love of God to all. All ministry takes financial support. If you feel led to financially support the work of this ministry you can donate:

May you be generously blessed in all that you do, may you have the boldness of a lion when the opportunity to share the Gospel arises, and may you know how grateful I am that God has placed you in my life.
